

## Emma Kaufmann Camp – Camp Nurse

*Emma Kaufmann Camp is located along Cheat Lake in Morgantown WV. Owned and operated by the Jewish Community Center of Greater Pittsburgh, EKC is a co-ed residential camp with an emphasis on teambuilding, developing positive values, independence, premiere programming and activities. This child-centered environment includes campers ages 7-16. As a staff member at EKC, you will enjoy the opportunity for personal growth and develop friendships that will last a lifetime. Visit our website at [www.emmakaufmanncamp.com](http://www.emmakaufmanncamp.com)*

*Emma Kaufmann Camp is open and accessible to everyone, regardless of age, race, religion, national origin, sexual orientation, gender identity, gender expression or special need by welcoming individuals of all backgrounds, embracing their uniqueness and diversity under our communal tent.*

*The position of Camp Nurse has been established to provide medical assistance to the camp community while Camp is in session. The duties assigned to the Camp Nurses are meant as a guideline to establish a high quality of care. Qualities such as high reliability, attention to detail, ability to follow directions and a willingness to learn are vital to this position. A prerequisite of this position is a current NP, RN or LPN license by the agreed upon start date. Applicants must be at least 21 years of age. Nurses will be able to work a variety of 8, 10, and 12 hour shifts.*

### **Responsibilities/Expectations**

- Reviewing medical information for all campers and staff
- Triageing campers during our daily sick calls
- Assessing health/injury risks during the camp program
- Working with the Camp Doctor in diagnosing illnesses and treating injuries
- Supervising campers in the health center if they are unable to participate in the camp program.
- Recording medication distribution to Campers that are handed out prior to meals.
- Assisting in keeping the infirmary clean and sanitized
- Shopping for medical supplies/medications (as needed) to keep the health center fully supplied.
- Preparation of medications for daily distribution.
- Answering parent phone calls about the health of their campers
- Other duties that may arise to increase the efficiency of the infirmary and/or treatment of campers.
